## Employee Tobacco Use Certification

This certification can only be changed during the next open enrollment period, qualifying life event, or if you are newly eligible.

Whether or not you choose to agree to electronically sign for transactions or elect to sign using a paper format, Barnes Group Inc. retains the right to audit the validity of any certification or acknowledgement you provide.

By selecting "I Certify" below, you are certifying that:

- You have not used tobacco products in the last twelve months,
- Have successfully completed a smoking cessation program in the last twelve months, or
- Are currently enrolled in a smoking cessation program.

This smoking certification only applies to the Voluntary Benefit product for Critical Illness and does not impact any of your other benefit rates.
