How do I connect my account?

1. Enter the email address you already have a Care account for on your Care for Business welcome page
2. Proceed through steps 1-3 of the enrollment flow
3. Upon landing on the 'Connect account' page, enter your password
4. Selecting 'Connect account' will complete the connection

Selecting **enroll with a different email** will take you back to your CfB welcome page to restart your enrollment process

Selecting **Forgot password?** will allow you to reset your password
