Create Your TELUS Health Account

Haven't signed up yet? Get started using TELUS Health now with our easy, one-time sign-up instructions:

1. Go to one.telushealth.com OR download the TELUS Health mobile app. Click "**Sign Up**"
2. Enter your invitation code which will be formatted as BGI-Employee Identifier. Your employee identifier is your first initial and first 6 letters of your last name followed by month and day of your birthdate (MMDD).

   For example, an employee named James Harrington whose birthdate is March 16 would use the invitation code: BGI-JHarrin0316
3. Create your personal login credentials (email and password).
